DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

1. In February 2003, the applicant's representative proposed to send a new PTO-1449 along with the CDs to have the references considered. After a telephone call to Thomas Malone on 6/5/2002, it was proposed to fax a clean copy of the PTO-1449. However the examiner has still not received it. Therefore if applicants would like to have the references considered they should provide said PTO-1449 along with the CDs.

2. Applicant is given a ONE MONTH SHORTENED STATUTORY PERIOD from the date of this letter, or until the expiration of the period for response set in the last Office action, whichever is longer, to complete the response. AN EXTENSION OF THIS PERIOD MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), or the period for response set in the last office action may be extended up to a maximum period of SIX MONTHS.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jezia Riley whose telephone number is (703) 305-6855. The Examiner may normally be reached Monday through Friday, 0900 - 1700 EST. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's Supervisor, Gary Benzion, may be reached at (703) 308-1119.

Any inquiry of a general nature or relating to the status of this application should be directed to the Chemical Matrix Receptionist whose telephone number is (703) 308-0196.

Any necessary fax can be sent to (703) 308-4242.
